

Online Learning Platforms & Revision Websites

There are a number of online platforms and websites that are useful for revision and learning:

Here is a list of education companies currently offering free subscriptions to support remote learning that you may find useful: <https://kidsactivitiesblog.com/135609/list-of-education-companies-offering-free-subscriptions/>

<https://www.gcsepod.com/>

- 1) Go to www.gcsepod.com and click “**Login**” in the top right-hand corner
- 2) Click “**New here? Get started.**”
- 3) Select “**Student**”
- 4) Enter your **name, date of birth** and **the school name**.
- 5) Create a **username, password**, and a **password hint** to help you remember the password.

Students have set up a login and password themselves. You can watch short podcasts that are really useful for all subjects.

Seneca Learning: <https://www.senecalearning.com/>

A range of subjects that includes automatically marked assignments and will allow teachers to monitor students' progress remotely & increase classes' grades. Students will need to sign up and set their own account and log in details. See the instructions ‘Seneca Learning - Student use guide’.

SAM learning

<https://www.samlearning.com>

- **Student Log in:**
- Centre ID – SN3SJ (no gaps)
- User ID & Password are the same – **6 digit date of birth plus capital initials** (no gaps) e.g. **120904AM**

Maths GCSE – Edexcel

www.mathswatch.org – this is a subscription website that has lots of videos as well as questions. Teachers will set students additional homework tasks via this site. To login they should go to the website and click on the link to the VLE. Students have been issued with their login details by their

teacher. They are the first three letters of their first name and the first three letters of their surname@ stjosephs. Their password will be 'password', which they must change.

www.mymaths.co.uk – this is a subscription website, login is SJCC and the password is integer. Each student has their own individual login that they can use which scores them and tracks their achievement in each topic, but they can still access with the main password to complete lessons.

www.mathsmadeeasy.co.uk – this is a website that has a large number of practice papers that students can access. There are mark schemes and worked solutions, so that if they are stuck on a question, they can see the process that they should follow to complete it.

<https://justmaths.co.uk/>

Student login is JosephStudent and Joseph. Find the main skills and do a couple each week from now until the exams.

<https://corbettmaths.com/>

This is a free website that has a lot of great resources. It includes a 'five a day' challenge, starting from basic foundation and going up to the top of higher. There are a huge amount of questions by topic, which include mark schemes and worked solutions.

<https://mathsapp.pixl.org.uk/> - Also, includes a timetable app <https://timestable.pixl.org.uk/> and daily Maths challenges.

Edexcel English GCSE

- <https://englishapp.pixl.org.uk/>
- <https://quizlet.com/en-gb>
- <https://www.bbc.co.uk/bitesize/subjects/zr9d7ty>
- <http://thesausus.com/>
- Mr Bruff' on Youtube- He uses the AQA syllabus but a lot of his videos are also really useful for Literature texts: 'Macbeth', 'An Inspector Calls, & 'Dr Jekyll and Mr Hyde.'
- 'The English Teacher on Youtube- Specifically for Edexcel.
- Clare's Class' on Youtube- Specifically for Edexcel.
