### Prayer Theme: Reflection –

“As water reflects face back to face, so one human heart reflects another.”  
(Proverbs 27:19)

### Exam Mass: Monday 14th May:

Staff and students are invited to join as a community the families of those students that will be taking exams in the next few months. We would like to offer our support and prayers by holding a mass. This will be held in the college chapel at 3:30pm on Monday 14th May, we would be very happy if you could join us.

### Year 11 GCSE Examinations:

These begin at 8.35 on Monday 14th May 2018. Students have already received timetables, published by the exams office some weeks ago. Year 11 students should register with their tutors before morning examinations, but should then immediately be sent to the examination venues, rather than remaining with their tutors for the full registration time. Thank you very much for your help with this.

### Reminder for Year 11 Students:

For students that have yet to attend their college interviews, please ensure these don't clash with GCSE examinations. If they do, please speak to college who will be able to re-arrange the interview for you. Students are advised to speak with Miss Green if they need help doing this.
