

St Joseph's Newsletter

THE BEST OF PERFORMING ARTS

THURSDAY 7TH JULY 2016

The students have been incredibly busy preparing for their end of year concert. This Summer we decided to showcase everything that is brilliant about the students at St. Joseph's. Every year group has been represented showing their talent and skills from street dancing, orchestral work, rock bands, musical theatre to name but a few.

"I have really enjoyed my stay at St. Joseph's. I particularly loved the Boys' Group, College Singers and Hairspray.

It has had a massive impact on my Year 7 career. All the teachers and sixth formers have been a real key element. They have gone out of their way to organise all this for us. The amount of encouragement is just one of the best feelings.

I am very excited for the performance. The dedication and effort - it's fantastic, I can't wait!"

Sean Year 7

"As I am doing GCSE Music I had to take part in the Music Competition as part of my course. I was reluctant to do it at first. In the end, I was persuaded to do it and I sang the song 'Sunrise, Sunset' from Fiddler on the Roof, during my singing lesson.

My singing teacher, Mrs Fleet was impressed. I didn't think I was going to win the Music Competition but I did as I received full marks for my performance. I was surprised when I found out that I had won and was ecstatic! My parents were overjoyed and pleased with me."

Chelsea Year 10

"Being in the Music Competition was fantastic because I was able to show my talent. The song I chose was 'I Have Nothing' by Whitney Houston. Even though I was not able to find the right backing track, Mrs Cooke still let me audition. Thank goodness! Because I won First Place for the Year 8!

I have been very fortunate enough to be a part of the Girls Musical Theatre group and the College Singers. This is because I have met some amazing people and I have gone to lots of places.

Also, my confidence has grown since I joined these groups, everyone feels like family."

Salewa Year 8

Dates for your Diary

1 SEP	Staff Training Day
2 SEP	Staff Training Day
5 SEP	School Reopens
20 SEP	School Photos for Year 7/9 and Sixth Form
20 SEP	Celebration Evening for KS4 and KS5
5 OCT	Year 6 Open Evening
7 OCT	CAFOD Harvest Fast Day
18 OCT	Year 7 Tutor Info Evening
7 NOV	Swindon Youth Festival for Literature
9 NOV	Post 16 Open Evening
14 NOV	Anti-bullying week
15 NOV	Year 11 Parents' Evening

21 NOV	Staff Training Day
23 NOV	Year 11 Parents' Evening
8 DEC	Christmas Concert
14 DEC	Christmas Services
16 DEC	Sixth Form Application Deadline

In this final newsletter of the academic year, you will see a sample of some of the exciting things happening in the College. The breadth of activities academic, sporting, artistic, musical and spiritual is a great source of inspiration for everyone associated with St Joseph's. As I write this piece, our Performing Arts department are putting the final rehearsals together for the summer production which is looking fantastic. We have activities week, our end of year charity events and sports day to come so the academic year will end as full as it began.

This term the Year 11 and Year 13 have had their 'Prom nights'. These evenings mark the end of their time with us at the 11 -16 and 16 -19 phases of education, so we feel a real mixture of emotions: sadness to see some of them leave, together with enormous pride in how the College has helped to develop these young people. Many are concerned about their futures and so we hope that we have helped to give them some firm foundations and values with which to look out with openness to the world.

It is part of the cycle of College life that as soon as we say goodbye to Year 11, Year 6 students join us for transition day. Mr Stoten and his team make a real effort to ensure these future members of our community feel fully welcomed by taking part in a variety of lessons, meeting key members of staff, their form group and having any questions answered. I look forward to seeing them in September.

Sadly it is not only some of the students we say goodbye to as we prepare to say farewell to colleagues at the end of the term. I would like to wish the very best for the future to Mr Morgan, Mr Harris, Mr McNulty, Miss Sutherland, Mrs Evans, Miss Abbuhl, Mrs Jones, Mr Blake, Mr English, Mrs Bedwell, Mr Rushton, Mrs Belzko and Mr Stewart.

Although the College term finishes in July, there is a great deal going on during the summer in preparation for September. I do hope that everyone associated with the College has a good summer and am grateful for all the hard work that has gone into making this a successful year.

Paul Hughes, Principal

Student Information

During this academic year, the College has moved to paperless reports for Years 7, 8, 9.

Through Parent Portal, parents can view attendance, rewards, sanctions, reports during the year and the College Calendar amongst other useful aspects. Email is the easiest method of communication about events taking place and keeping parents aware of important information.

The College wants to keep you informed of what is happening in connection to the progress of your child, but not registering is making this very difficult. 95% of parents have an email address and this is the most common

and easiest way to communicate quickly and efficiently.

If you have not yet registered, please make every effort to do so. If you have forgotten your password, please let us know so we can re-advise you of it.

Most of our tills in the canteen next year will be cashless, as is the case in many junior schools. Please register for Parent Pay; again the email address in most cases is the preferred method for registering.

On any of the above, please do not hesitate to contact the College if you have any questions. There will always be someone in during normal working hours throughout the Summer.

Duke of Edinburgh Bronze Award

Trying to achieve the Duke of Edinburgh Award was sometimes a struggle, but it brought about amazing experiences that we will never forget. We met so many different people while volunteering and this helped build my confidence.

During the skills section, we really extended our cooking abilities and our families enjoyed eating all the extra cakes! We really enjoyed doing Duke of Edinburgh as it gave me opportunities to do things we would never normally do, like

hiking during a thunder storm on the practice expedition - that was quite difficult but because you're in a group, you know everyone is feeling exactly the same way as you and you learn to support each other through the challenges.

We learnt to read maps and navigate through the countryside (something I never thought I'd be able to do!). We learnt so much from our practice expedition that when it came to the final, we were a lot more confident and it was apparent that we all enjoyed the experience a lot more. We had a lot of laughs and bonded with people that we might not otherwise have gotten to know. We learnt how to work as a team and help each other through the tough parts, including getting our boots stuck in a seemingly never-ending trail of mud.

After we had finished the award, we all felt so proud of ourselves as we had achieved so much. When you're doing the skills, sports and volunteering, it doesn't seem like you're doing that much, but once you take a step back and look at what you have achieved, you feel really happy with what you have done.

Elise and Christina (Year 9)

UNIFORM AND EXPECTATIONS

In September 2014 we introduced our new uniform. Mindful of the cost to parents and carers, we agreed a transition phase where items of uniform from the 2013-2014 uniform policy could be worn. This transition phase will end in September 2016 when all students must wear the new uniform.

The vast majority of the students wear the uniform well and are a credit to the College and their parents. However, a minority do push the boundaries, wearing trainers or the wrong type of trousers. The uniform policy is on our website and is very clear.

A high standard of personal appearance is expected of all students at all times. In September, anyone arriving at the College in non/incomplete uniform clothing may be sent home to get changed.

Hair colour and style must not be extreme. We make no apology for setting high standards when it comes to uniform, attendance, punctuality, behaviour and the quality of work that students are required to achieve in order to be a member of our community.

We will always reward students for the things that they do well, whilst addressing areas for improvement using a firm, transparent and clearly understood pastoral system to ensure the smooth daily running of the College's core purpose to provide Catholic education.

In September, there will be a return to Tutor time at the start of the day where uniform and equipment is checked so that each student is ready to learn.

DUKE OF EDINBURGH'S AWARDS EVENING

On Thursday 30th June, we celebrated with all the students who had completed their Duke of Edinburgh over the past year. Over 50 Bronze, Silver and Gold award participants have achieved their full award over the past year and this evening celebrates their achievements with them being presented with their badges and certificates.

Two of our Gold Award participants, Lily Loughlin and Lily Weaver spoke to the students and parents about their experience of participating in Bronze, Silver and Gold awards.

Congratulations to all the students involved.

Y11 PGL REVISION WEEKEND

On the evening of Friday 22nd April, thirty-six Year 11 students arrived at PGL Liddington ready for a Science and Maths revision weekend.

Students revised key topics for their GCSEs in Maths and Science on both Saturday and Sunday mornings and completed a mock exam on Saturday evening! Alongside their revision they also took part in some outdoor activities. Students thoroughly enjoyed raft building on Saturday afternoon and all ended up very wet!

On Sunday they worked on their teamwork skills with problem solving activities and also loved throwing themselves down the zip wire.

A very busy weekend was had by all and we hope these students reap the benefits of their hard work with their results in the Summer!

“Very good revision, good sessions and activities. I would recommend it to everyone!”

“This weekend has been great! I have learnt so much more and my confidence is improving. I feel much more comfortable with my Maths as well as my Science. I feel that it has been extremely beneficial in the lead up to my GCSEs. PGL was a great experience!”

“I’ve had an amazing weekend and I’ve met some new friends. It really helped with my revision and the activities really helped me to get through the weekend!”

“I LOVED PGL! I’m so happy I came, it was worth the visit and the early mornings. I think the resources will really help me in my exams.”

Roche Court Sculpture Park Trip

The New Art Centre at Roche Court is a Gallery, Sculpture Park and Educational Centre where work by internationally renowned artists is shown inside and out, providing a survey of 20th- and 21st-century sculpture for the enjoyment of the public. The New Art Centre represents various artists' estates including Barbara Hepworth, Kenneth Armitage and Anthony Gormley. The Gallery and Artists' House is the venue for a changing programme of exhibitions.

The pieces of artwork gave me inspiration when learning the purpose of the creations of the artwork. It made me realise that something so simple can have a great amount of purpose, culture and meaning. Despite having more of an interest in portraiture, going on this trip has encouraged me to consider sculpture as an option for future ideas I may have, and makes me want to reinvigorate my current work. I can now understand the amount of research and dedication needed to create an evocative piece of valuable artwork and would like to incorporate this within my own sketchbook to fulfil my work.

ART INSPIRED BY THE STORIES OF REFUGEES

Groups of Year 7 and Year 8 students have taken part in an Art and Literacy intervention where they have looked at the stories of refugees and migrants travelling, often dangerously, to get to safety. Students came up of the idea of making pebbles out of clay to represent the beaches they are washed up on. Each pebble has a word to describe how these people are feeling. We still have more students making more pebbles and we hope to glaze them and have them on display. Well done to all the students who have taken part in the project.

Performing Arts

2016 St Joseph's Catholic College Music Competition

The winners of this event were:

- Year 7** Alicia- Piano
Rachel - Vocal
- Year 8** Salewa- Vocal
- Year 9** Winona
- Year 10** Chelsea

Congratulations to our amazing winners and a special 'Thank You' to all the students who took part. It was wonderful to hear so many talented students performing.

Year 10 BTEC Drama and Dance evening

On 21st June students from both Dance and Drama groups performed their practical coursework in front of their families and friends.

The standard was really high and the audience responded warmly to the great talent on show.

2016 St Joseph's Catholic College Drama Monologue Competition

This year, the Year 7s were given the opportunity to perform a monologue in our new Drama competition.

There were some fabulous monologues performed to Mr English and Mrs Mobey.

The overall winner chosen was Aquil Rodrigues.

Well done, Aquil! You have won a scholarship to attend the Stagecoach Summer School in August.

Cycling Club

KS3 students have enjoyed learning 'bunch racing skills' after College in Cycling Club with Mr Rutter. Learning how to draft 'riding a wheel', corner at speed and 'attack' in mock-race scenarios has

given students a taste of the race craft riders can be seen using in Le Tour over the next three weeks and in the Olympics this summer. An exciting development will see British Cycling provide coaching to riders during Activities Week before invited riders take part in a friendly competition against local

rivals Lydiard Park Academy and Dorcan Academy.

A special thanks should be said to the ever inspirational Sixth Former, Joe Beale, who has helped out throughout and whose stunning bike handling skills have consistently amazed the students involved.

Pilgrimage Walk with Bishop Declan

On the 23rd June we joined students from other schools in the diocese for the annual Pilgrimage Walk with Bishop Declan at Downside Abbey. The opening activity helped us all to get to know one another. Although we were two of the older students there, it didn't prevent us from getting involved and having fun.

Then next part of the day was learning about modern day issues such as refugees and how Catholics, the church and CAFOD help and are continuing to help this cause. We were able to chat with Bishop Declan and ask questions so that we could learn more about him.

During our lunch break, we took the time to walk around the Abbey, taking the opportunity to admire the beautiful scenery and the structure of the church.

The day ended with mass in the Abbey, which was led by the Bishop. As it is the Jubilee Year of Mercy, we went through a special door. It was a very inspiring experience.

We had a lovely day that gave us the opportunity to explore our faith and to share the experience with other students in the diocese.

Ellie and Kate Year 10

Young Volunteer Programme

Clifton Diocese Youth Ministry, in partnership with CAFOD, offer students in Year 10 the opportunity to take part in the Young Volunteer Programme.

Throughout the year students take part in large and small group sessions that enable them to gain new skills and use them to support CAFOD's work and Social Justice. These skills include, team working, leadership, advocating, active listening.

The year ends with an award ceremony and this was held on the 7th June in Bristol. St Joseph's Young Volunteer members joined other groups from the diocese to receive their certificates which were presented to them by Bishop Declan.

Education Mass - Clifton Cathedral

Staff, students and Governors from all the schools in the diocese came together as a family to celebrate all that has been achieved during this academic year in supporting Catholic Education. The mass was led by Bishop Declan.

We carried our school banner during the procession at the start of mass and Mr Hughes represented the College for the renewal of commitment to Catholic Education. It was a fantastic opportunity for us to represent the college and an experience we will always remember.

Joviella Fernades and Jane Gwasira

Primary G&T Challenge Day

Thanks very much to all those who helped out with the Primary Challenge Day on 6th July 2016. A group of Year 9s acted as teachers for the day, looking after a group of Years 5 or 6s each, having the experience of being called "Miss", knowing the answers, and using that knowledge to help others. Year 7s also competed against the Primaries, and emerged triumphant!

Junior Maths Challenge

Huge congratulations to Ines Przychodzka for getting through to the next round of the individual Junior Maths Challenge, with her Gold award. Golds were also awarded to Magdalena Howell, Oliver Byrne and Jason Aguedia.

With seven Silvers and three Bronzes, this was an excellent performance by Years 7 and 8.

THE WORLD AROUND US: VOLCANOES

Year 7 have been studying volcanoes in Term 6.

At the beginning of the term we studied the different types of volcanoes, then we looked at famous volcanoes such as Pompeii. Miss Brett then organised for us to go to the Art rooms so that we could make our own volcanoes. We brought in all the materials such as bottles and newspaper.

By working in groups we had to use lots of the PLTS skills such as team worker, effective participator, creative thinker and self-manager.

We all worked well to create our volcanoes and had to think about what colours to use to make them realistic.

We worked hard to get our volcanoes finished and the results can be seen in the photos.

We have really enjoyed learning and creating our own volcanoes!

Kintbury Experience 2016

This year the Chaplaincy Team have run two very successful trips to Kintbury. Year 11 and Year 10 have had the opportunity to visit the Catholic retreat centre to experience their own faith and share the faith of others. During the retreat, each student was given the opportunity to reflect on the three themes: Awareness of God, Reconciliation and Praise.

During each stage of the programme the young people were guided through reflective prayer and meditation, small group workshops and large group games by outstanding Catholic youth leaders. It was a joy to see students in St. Joseph's thrive in these surrounding and deepen their relationship with God.

YEAR OF MERCY

To celebrate the Year of Mercy, members of the Chaplaincy Team from the Sixth Form and Year 11 have been asking all students in the College to write a prayer butterfly.

We arranged for butterfly templates to be given to Years 7 and 8 for them to write their prayers.

The Chaplaincy Team visited the tutor groups for Year 9, 10 and 11

asking them to write a prayer on paper. These were then made into origami butterflies. The butterflies were used to create a banner, which is displayed in the Street.

A Work of Art

This remarkable Icon of Mary the Mother of God was given to the College by Mr John Chivers, husband of Ruth Chivers our Parent Support Advisor.

Mr Chivers used traditional methods including gesso and egg tempera. We will be holding a dedication ceremony with a blessing by Canon John and would like to thank Mr Chivers for his generosity in giving us this prayerful work of art.

REFUGEE WEEK

In Citizenship lessons we started the year in September by exploring the refugee crisis and taking part in the Clifton Diocese Day of Prayer for Refugees.

Students had the opportunity to reflect on how it would feel to be a

refugee and expressed their thoughts through some amazing poetry.

The focus on refugees has continued through the year with tutor groups choosing the Harbour Project as one of the College's charities. They have collected food for Christmas boxes and Easter.

The project has been funded by the Wiltshire and Swindon Community Foundation and students will have the opportunity to meet refugees and hear their story and ask them questions about their experiences.

GRADUATION NEWS

Congratulations to Ryan Wilkinson who has graduated from Cardiff University with a First in Business Management. He will take up a place with Lloyds Banking Group in September.

Congratulations also go to Angelo Caruso, who has graduated from Winchester with a 2:1 in History.

.....

Amy Lloyd is off to Argentina next week to gain experience working with animals before submitting her UCAS application in the new term.

.....

Caitlin Dooley is currently on the first week of her commitment to the National Citizenship Service. She will take part in fundraising events over the summer to benefit her community while meeting new friends and having fun. We will update you in the new academic year with details of both girls' adventures.

Sixth Form at Kintbury

Well done to Chelsea O'Neil who has successfully applied to attend the Kintbury 'YES' Week retreat next week.

Chelsea is a dedicated student and a great ambassador for the Sixth Form.

She regularly does work experience in our feeder primary schools and is looking to go onto university in 2017 to pursue her ambition of becoming a primary school teacher.

We know Chelsea will have a great week at Kintbury.

Sixth Form Activity

We are very proud of all of the Sixth Form students who have secured places at various university Summer Schools and Scholarship Programmes.

In July, Karina Wolna is attending the Bristol University Summer School, Kinga Wachaczewska is going to Gloucester University and Swizel Da Costa, Francisco Dias and John Ramos will be attending Oxford University's UNIQ Summer Programme.

There is always enormous competition for places, so well done to these students and other students who have been attending programmes and courses throughout the year.

FROM SEPTEMBER

Due to the large number of students leaving the College on foot, no vehicular access is allowed on to the College site between 2:45pm and 3:15pm.

This also applies to any permitted picking up of students. No access until 3:15.

Change of Address

If you move house or update your telephone number, please can you ensure you notify the College as soon as possible. Many thanks for your co-operation.

Year 6 Cricket

Annually for the last seven years, St. Joseph's has provided the umpires for the Swindon Primary School Cricket Festival run at the Swindon County Ground pitch.

On the 27th May a very nice sunny Friday, I took 16 Year 9 and 10 cricketers to umpire the Year 6 Cricket Festival. It is fantastic to see our students in a different setting especially when you see them perform so brilliantly and even turn their hand to a spot of coaching when things aren't going so well for the Year 6s.

It is a full day of umpiring from 9am to 3pm and even then some of the boys wanted to stay on and umpire the final as it had over run slightly. I am naturally biased as to what a great job they do, but when many of the primary teachers actually went out of their way to seek me out to say how wonderful our boys had been it was extremely pleasing.

My favourite quote was "Your guys have been amazing, they have umpired really well, but it's been the way they interact with the players that's been so wonderful to see, that doesn't happen at other tournaments we go to."

Well done to all for a fantastic day.

Year 9 Cricket

Having reached the cup final in Year 8, expectations were high at the start of the season.

The general all round team performance was good but some of the individuals who starred last season found it harder going this year.

Everyone was ready for our top batters this time around, and Neil and Shreyash struggled to dominate games as they had the year before, as runs were harder to come by.

Our bowling was really good again this year with Hamaad, Nijeal and Ronsley putting in very good performances. The cup run was cut short this time by a sudden bout of not being able to catch!

Having posted a total of 53, we were always going to have to take every chance that was on offer and when Hamaad took a wicket with his second ball we thought it was game on! Unfortunately for us we then conspired to drop seven catches and totally miss another.

There's always next year, lads!

Year 10 Cricket

The Year 10 Cricket Team performed really well for at least half of each game this season! Under Clive's captaincy, the Year 10 team were a formidable bowling and fielding unit, with most teams saying we were the best bowling unit they had faced.

Taking wickets wasn't a problem (except for Charles) all our other bowlers took regular wickets. Alister finished as top wicket taker with seven well done! Unfortunately cricket also requires a team to bat and this season that wasn't our strongest suit. Our style of batting was a fairly aggressive and risk taking venture based on the very popular T20 and IPL cricket that is so often seen on the television at the moment.

We were definitely entertaining but seldom did we score many runs as our succession of 'big' shots usually caught up with us sooner rather than later.

A thoroughly enjoyable season with a good group of boys who I sincerely hope continue to play cricket for clubs for many years to come.

ROUNDERS SEASON

YEAR 7

The start of the rounders season was a very exciting time for Year 7 as it meant attending training and trying to get selected for the team. Lots of Year 7s came to rounders club and the final team consisted of: Lexie, Jessica, Jessica, Olivia, Teagan, Mia, Ashley, Lorna, Chantelle and Ninoshca.

As a team, we have made so much progress with both our batting and fielding over the season which resulted in our best game beating Isambard 14 – 8. We have really enjoyed learning how to play rounders and improving our skills.

We will definitely be back next season to win some more games.

YEAR 8

We made a slow start to our rounders season with numbers being low. However by the end of the season we had 16 players turning up every week for training and for games, which is more than any other year group.

Due to our enthusiasm to train, our skills have improved dramatically and our teamwork is very strong.

We will be back next season to continue to represent the college as we have all thoroughly enjoyed it.

St. Joseph's Euro 2016 Competition

Well done to Years 7, 8 and 9 for their excellent attitude and sportsmanship during the recent six-a-side tournament. Each tutor group in the school was allocated a country participating in the Euro 2016 tournament and represented them in the competition.

After some competitive matches the finalist were as follows:

**England & Hungary
(Year 7)**

**Sweden & Spain
(Year 8)**

**Albania & Czech Republic
(Year 9)**

The winning teams were Hungary, Sweden and Albania. Many thanks to the members of staff who supported the tournament, the Sixth Formers who refereed and a special thanks to Rivaldinho in Year 8 who helped with the kit every day.

YEAR 9

Over this season rounders has been a great club. Our team members Melia, Ilena, Megan, Morgan, Erin, Ellie, Grace, Mariana, Niamh and Jess have played really well throughout all our games and have great teamwork, always communicating and helping each other out when needed. Also we've had an amazing time and got to know each other better. We've attended all of our practices and put all our efforts into our fixtures. Our best match was against Bradon Forest, where we won 16-11. Although we have lost some games, we have always trained harder and played the next fixture with enthusiasm to try and win.

We would like to say a big thank you to Miss Brett and Mrs Brennan for teaching us how to hit the ball so it would confuse the other team and how to hit it low and far instead of high so they couldn't catch it, and Miss Jones for taking and bringing us back to all fixtures. Melia Year 9.

Year 10

This rounders season marked our last chance to play rounders together as a team. The team that consist of: Estella, Orla, Agneta, Eleanor, Georgina, Keisha, Taania, Lizzie, Zelika and Karina have played extremely well together.

We have all developed our batting and fielding skills and been able to apply that in the game. We have really enjoyed playing together and it has been great to be able to represent the College.

As a team, we would recommend rounders club to younger years as it is a great way to make new friends, learn new skills and have a great time.

Athletics Season

St Joseph's students have enjoyed a successful athletics season with many athletes bettering their personal bests at the various championships.

The 2016 season saw three students selected to represent Swindon at the Wiltshire school's trials. Unfortunately, Keisha Ishani was unable to take her spot in the shot putt however Teresa and Megan made the trip to Salisbury in anticipation of their events.

First up was Teresa, taking a well-earned break from exam revision as she lined up in the 100m. Despite a poor start she finished strongly to narrowly miss out on a spot in the final. Megan made her debut in a Swindon vest contesting the 800m.

Megan judged the pace excellently but suffered a knee injury in the closing stages; despite this she still finished in a time close to her personal best.

This year the minor age group (Year 7) were to have their own Wiltshire Championships in Tidworth. Bikash (100m), James (javelin) and Matthew (shot putt) dominated their events at the trials and were excited to gain their first Swindon team selection.

However, due to poor weather, the Championships were cancelled and a time could not be found to reschedule.

Swindon Athletics Championships

A team of enthusiastic athletes went to the County Ground to compete in the Swindon Schools age group Championships.

As always our athletes acquitted themselves well, performing to the best of their ability and behaving impeccably. We are awaiting the official results from host school; however, most athletes reported that they were close to or beaten their personal bests.

A huge congratulation to the following who made up the year 7, 8, 9 and 10 teams:

Year 7:

Katie, Lexie, Julietta, Scarlett, Jessica, Kelenie, Otis, Marcel, Scott, James, Bikash, Matthew

Year 8:

Camille, Shannon, Olivia, Stephanie, Joseph, Rajib, Matthew, Wilhelm, Andrew

Year 9:

Alexandra, Erin, Shannon, Christina, Jessica, Illena, Melia, Gareth, Alex, Rajendra, Cameron.

Year 10:

Lizzie, Agneta, Estelle, Imogen, Karina

The PE department would like to congratulate all athletes who took part this season and we look forward to seeing you perform for your tutor group at Sports Day.

COUNTY CUP FOOTBALL

The Year 7 girls' football team competed very well in the football county cup competition.

Their first game was against Salisbury and with some excellent passing and teamwork they won 2-0. The girls then were put through to the final which was against Royal Wootton Bassett.

All the girls were excited and enthusiastic to play. The girls played excellently in the final and came second. I would like to say a huge congratulation to the team and thank them for representing St Joseph's to such a high standard.

Well Done!

Team:

Molly, Jessica, Ashley, Mia, Olivia, Jessica, Courtney, Katie, Oliwia, Alana, Alicia, Julietta.
